

## SATISFIED CLIENT

**If you're looking for the perfect lawyer to represent you in your legal matters, then Mr. Bryant is the one for you. I was in trouble with the law and I had lawyers practically knocking at my door when they found out about my incident. I asked several friends and family members about what to do. They told me about Mr. Bryant. I called his office in Lawrenceville. His staff was kind, polite and very quick to respond. You can look in the news paper, the internet, and in your mailbox, but the best way to get the best lawyer is by word of mouth. By using word of mouth you can hear from others who have used him and they can tell you about how well he knows the law. If you ever read this Mr. Bryant, THANK YOU SO MUCH FOR ALL YOUR HARD WORK!!!**

**\*\*This e-mail was sent to Mr. Bryant on February 3, 2010 from a recent client who was facing an Habitual Violator 5 year license suspension related to DUI (.143) and Aggressive Driving charges. Based upon an investigation of the incident and his knowledge of the applicable law, Mr. Bryant convinced the prosecutor to dismiss both the DUI and Aggressive Driving charges in exchange for the client entering a Nolo plea to a single Reckless Driving offense. Result: the client avoided both a lengthy suspension of his driver's license and a DUI conviction.**
